MEMORANDUM FOR BOARD MEMBERS

FROM: ROBERT C. McFARLANE *RCM*

SUBJECT: Economic and Fiscal Mobilization Discussion at
the Next Board Meeting

In response to Fred Ikle's request at the last Board meeting, the subject of the next meeting, tentatively scheduled for July 11, will be economic and fiscal mobilization.

I have asked C. Warren Carter, of Treasury, the Acting Chairman of the Economic Stabilization and Public Finance Working Group, to present a 15-minute briefing covering the results of the Group's work under the National Plan of Action. Copies of these materials will be distributed to each of you in the near future.

The Federal Reserve System and the Council of Economic Advisers are being invited to participate.

As was evidenced by the discussion and the resolution of the free market issue during development of the National Policy Statement (NSDD-47) and the National Plan of Action on Emergency Mobilization Preparedness, this is a subject of great importance to the Nation's preparedness.
